

The Cambridge Winter Lectures 2010

Venue: Cambridge GC Clubhouse, Gransden Lodge A/F
Time: Friday evenings at 7.30p.m. Bar open from 7 p.m.

5th Feb Julian Murfitt On waking up in a spin...

Former CGC member and twice UK Powered Aerobatics Champion describes his transition from competitive gliding into the disciplines of competitive powered aerobatics. Includes first hand descriptions of recovering from G-induced Loss Of Consciousness (GLOC). (Postponed from 2009 owing to weather - touch wood)

12th Feb Hugh Browning Mining safety data for meaning

Hugh has analysed over 3,500 gliding accidents and incidents from 1987 onwards. The resulting understanding about the nature and frequency of gliding accidents can help clubs and individual pilots operate more safely.

19th Feb George Baber Maintaining the BBMF

Air Commodore George Baber was in charge of maintaining the Battle of Britain Memorial Flight from 2002-6 and gives us an inside view of the trials and tribulations behind keeping these historic aircraft in airshow condition.

4th Mar David Cockburn CAA Safety Evening *THURSDAY*

The CAA Safety Promotion Officer gives the latest update on his fascinating and ever relevant talk on general air safety safety. An evening for all interested in GA. Visitors warmly welcome. **N.B. THURSDAY**

19th Mar Ali Machinchy Fun with jet powered models

Effusive enthusiast and CGC member Ali describes his activities with jet powered radio controlled aircraft which include scale models of various aircraft and gliders. Lecture will include stories, models and video clips.
